

Echo Lake PTA Family Science Night  
***Thursday, January 26, 2017***  
***6:30-8:30 pm at Echo Lake Elementary***  
***It's absolutely FREE!***

Scientists from the community will be on hand to share their passion for learning about the world around us

---

Bring your whole family  
and form a  
discovery team!

**Parents, please plan to stay  
and explore the  
exhibits with  
your children.  
For everyone's safety,  
no drop-offs allowed.**

### Featuring

UW Material Advantage  
Cascade Grotto  
Earth and Space Research  
Orca Network  
Puget Sound Energy  
Fred Hutchinson Cancer Center  
Team Pronto – Shorewood Robotics  
UW Earth and Space Sciences  
Women in Chemical Sciences at the  
UW  
Shoreline Police Department  
North Seattle Lapidary & Mineral Club  
*and more!*

Plus plenty of hands-on exploration!

---

***PARENTS:*** Help is still needed for set up and people power for some hands-on exhibits. No scientific knowledge required - all training will be provided!
