

Oleg Melnichenko

International Pacific Research Center, SOEST, University of Hawaii

Education:

2005 - Ph.D. (Phys. Oceanography.), Marine Hydrophysical Institute of the National Academy of Sciences of Ukraine, Sevastopol, Ukraine

1987 - M.Sc. (Phys. Oceanography), Leningrad Hydrometeorological Institute, Leningrad, Russia

Appointments:

2021-pres: Affiliate, Earth and Space Research, Seattle WA

2017-pres: Associate Researcher, IPRC/SOEST, University of Hawaii

2011-2017: Assistant Researcher, IPRC/SOEST, University of Hawaii

2007-2010: Postdoctoral Fellow, IPRC/SOEST, University of Hawaii, Honolulu, Hawaii

1992-2006: Research Assistant, Marine Hydrophysical Institute of the National Academy of Sciences of Ukraine, Sevastopol, Ukraine

1989-1992: Oceanographer, Marine Hydrophysical Institute of the National Academy of Sciences of Ukraine, Sevastopol, Ukraine

1987-1989: Operational Meteorologist, Air Force Weather Prediction Center, Ukraine

Publications

Yu, L., F.M. Bingham, T. Lee, E. Dinnat, S. Fournier, O. Melnichenko, and W. Tang, 2021: Revisiting the Global Patterns of Seasonal Cycle in Sea Surface Salinity, *J. Geophys. Res.*, 126, e2020JC016789, doi: 10.1029/2020JC016789.
